Optimal Foldover Plans for Two-Level Fractional Factorial ... Optimal Foldover Plans for Two-Level Fractional Factorial Designs WilliamLi Department of Operations and Management Science University of Minnesota. Optimal Foldover Plans for Two-Level Fractional Factorial ... We demonstrate that any foldover plan of a 2 kâˆ'p fractional factorial design is equivalent to a core foldover plan consisting only of the p out of k factors. Furthermore, we prove that there are exactly 2 kâˆ'p foldover plans that are equivalent to any core foldover plan of a 2 kâˆ'p design and demonstrate how these foldover plans can be.
